

DEBURR TECHNICIAN

Cobalt Enterprises is a manufacturer featuring precision-machined parts and assemblies for the aerospace, defense and commercial markets. We are located in Granite Falls, Lake Stevens and Everett, Washington. We are an equal opportunity employer with competitive wages; pay every week; full medical, vision, life and long-term disability coverage for all full-time employees; 401k, paid holidays (including your birthday); and paid time off.

This is a full-time position working all shifts and reporting to the Machinist Lead in Milling/Production at our Everett location.

TYPICAL DUTIES

- Blend mismatches and break sharp edges to customer specifications on medium to large sized parts
- Remove burrs and blemishes from machined and formed parts using various hand held tools
- Deburr and polish parts with hand tools and pneumatic tools
- Smooth and grind surfaces
- Ensure all safety protocols are followed

SKILLS, ABILITIES, EXPERIENCE, EDUCATION & CERTIFICATIONS

- Requires ability to work cooperatively and civilly with all employees
- Requires attention to detail and precision
- Ability to operate and perform maintenance on grinders, orbital sanders and wheel grinders.
- Detail-oriented and mechanically inclined

PHYSICAL REQUIREMENTS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. While performing the duties of this job, the employee is regularly required to talk or hear. The employee frequently is required to stand; walk; use hands to finger, handle, or feel; reach with hands and arms and occasionally lift up to 50 lbs.

For consideration please submit a complete resume including employment dates (month/year) and contact information.
